

CHALAPATHI COLLEGE OF PHARMACY, AR NAGAR, MOTHADAKA, GUNTUR.

INNOVATIVE TEACHING METHODS

Name: Ms.D.Subhashini

Designation: Assistant Professor

Virtual Live Acts:

Engaged students through live virtual enactments to help them visualize and remember complex physiological concepts — such as the **release and functions of hormones from the brain and working of body systems.**

Interactive Crossword Puzzles:

Introduced crossword puzzles in the Anatomy and Physiology course to enhance students' retention of terminology and key concepts.

Quiz-Based Learning through PowerPoint:

Conducted PPT-based quizzes to foster interest, motivation, and a healthy competitive spirit among students.

Flowcharts and Schematic Materials:

Provided learning materials featuring flowcharts and schematic representations for easier understanding and better conceptual visualization.

Logical and Reasoning Questions:

Encouraged critical thinking by asking logical and reasoning-based questions during lectures to improve focus and comprehension.

Motivational Real-Life Examples:

Used real-life examples to connect theoretical knowledge with practical applications, increasing student engagement with the subject.

Online MCQ Tests via ClassMarker:

Implemented online multiple-choice tests using www.classmarker.com to enhance enthusiasm and active learning.

Organized Online Learning Games:

Conducted interactive online activities such as Anagrams, Crossword Puzzles, and Word Search to make revision enjoyable and effective.
